MESSAGE PRESIDENT

It is our great privilege to invite you to attend the most exciting, 7th ITCAM Congress on July 8-12, 2017 at Centara Grand and Bangkok Convention Center at Central World and Chula Soft Cadaver Surgical Center, Chulalongkorn University, Faculty of Medicine, in Bangkok.

The theme of this year's congress is "Beyond the Aesthetic Horizon". We strongly assure you that everything properly arranged to make this to be the best congress of the year. We have invited the best speakers from all over the world to share their skills, knowledge and actual experiences that you can never find in any textbook of aesthetic medicine. Lectures on new tricks about Botulinum toxins, fillers, threads, lasers and other innovative technologies in aesthetic medicine will be discussed extensively.

Finally, don't miss our renowned 2-day cadaveric course on July 8-9, 2017 which includes "Hands-on Cadaveric Dissection" on injection, thread and minimally invasive surgery and the Live Patient Injection and aesthetic surgery with Cadaveric Demonstration.

We're very eager and excited to see you in this year's congress. The earlier you register, the better is your chance to reserve your desired spot. Please join us and take the practical tips home for your practice excellences.
