Level 2

FOR ITS 12TH EDITION, IMCAS ASIA IS PROUDLY RETURNING TO *Bangkok!*

We are thrilled to announce that we have teamed up with THAICOSDERM (Thai Society of Cosmetic Dermatology and Surgery) in the bustling city of Bangkok.

Located in the heart of Southeast Asia, the capital of Thailand is the world leader in plastic surgery and aesthetic dermatology. Bangkok is very meaningful to IMCAS for another reason: it was here that we hosted the very first IMCAS Asia congress back in 2007!

We are delighted to return to the origins of IMCAS Asia, this time in partnership with THAICOSDERM, to welcome over 140 international speakers and 45 local speakers for 150 teaching hours, with more than 1,500 attendees arriving from all over the globe.

This year, our program is full to the brim with all of our most notable courses and lectures. 15 key themes covered in 3 full educational days, there is something for every aesthetic practitioner. This edition of IMCAS Asia features surgical and non-surgical sessions with an overarching focus on Asian morphologies and how to achieve the most natural results.

The anticipated Anatomy on Cadaver Workshop is returning this year to offer physicians an in-depth view into the anatomy behind various procedures. For an even more enriching learning experience, we recommend our optional Video Classes which demonstrate processes and techniques that you can take home with you. We are proud to bring you the top-notch content presented by world-class speakers.

After three intensive days engaging in all of our cutting-edge events, relax and get to know your peers better with our Networking Cocktail on Friday evening and our elegant Gala Dinner on Saturday evening.

Bangkok is home to a vibrant culture steeped in tradition, a place where modernity and tradition blend together. It is easy to see why we are returning for the third time, because Bangkok is the perfect setting for a weekend filled with the latest developments in the medical aesthetic field.

Welcome to IMCAS Asia 2018 joint event with ITCAM of THAICOSDERM in Bangkok.

IMCAS เอเชีย ครั้งที่ 12 เรายินดีและภูมิใจอย่างยิ่งที่จะกลับมาจัดงานที่กรุงเทพมหานครอีกครั้ง!

เราตื่นเต้นที่จะประกาศว่าเราได้ร่วมกับ THAICOSDERM SOCIETY (สมาคมเวชสำอางและศัลยกรรมผิวหนัง) ในการจัดงาน IMCAS ASIA ที่ประเทศไทย ณ.กลางกรุงกรุงเทพ

เรายินดีที่จะต้อนรับผู้บรรยายนานาชาติกว่า 140 ท่าน มีชั่วโมงการบรรยายกว่า 150 ชั่วโมง และมีผู้ร่วมประชุมมากกว่า 1,500คนจากทั่วโลก

ยินดีต้อนรับสู่งาน IMCAS ASIA 2018 ร่วมด้วยสมาคมเวชสำอางและศัลยกรรมผิวหนัง ที่กรุงเทพฯ

ในปีนี้โปรแกรมของเราเต็มเปี่ยมไปด้วย หลักสูตร และการบรรยายที่มีชื่อเสียง ด้วยหัวข้อหลัก 15 หัวข้อซึ่งครอบคลุม ใน 3 วันแห่งการเรียนรู้ ซึ่งน่าจะมีประโยชน์ต่อแพทย์ด้านความงามทุกท่าน ตั้งแต่เสริมความงามโดยการผ่าตัดและแบบไม่ผ่าตัด ทั้งใบหน้า, หน้าอก และลำตัว, ด้านผิวหนังและการชะลอวัย, รวมไปถึงการบริหารงานอื่นๆ และพลาดไม่ได้กับการแลกเปลี่ยนความคิดเห็นที่มีหัวข้อเกี่ยวกับ injectables, lasers & EBD และ Vaginoplasty

CONGRESSES

Your program from head to toe

Face

In-depth sessions on surgical and non-surgical procedures.

Our experts will thoroughly cover the upper, mid, lower face, nose and neck, with a special focus on trends and complications.

Hands

All you need to know on injections and rejuvenation.

Hair

Half a day dedicated to restoration, transplant and removal.

Male & female alopecia and everything you need to know on hair transplant: from tips & tricks to complications and limitations!

Breast

Augmentation, lifting, lipofilling, surgery and complications.

Body

All the latest trends and techniques on body shaping and surgery. For a real in-depth, head to toe learning, be sure to attend our sessions on Sunday.

Buttock

Meet the experts for tips and tricks on surgery and complications.

Genital Treatments

The hot topic in aesthetic medicine with 4 hours on Friday.

Skin

Sessions on all skin types!

The best of the best in dermatology have prepared sessions to cover the most stimulating topics to tickle your fancy.

FRIDAY IN ROOM 3
SATURDAY IN ROOM 1

FEMALE GENITAL TREATMENTS

Hot Topic!

THE RENOWNED GENITAL TREATMENT MODULE RETURNS AT IMCAS ASIA 2018!

Taking place on the first day of the congress, this module has been designed in collaboration with a number of learned aesthetic gynecological and genital restoration societies.

The genital treatment module will explore a range of treatments and techniques for genital restoration, from non-invasive to surgical treatments.

There will be opportunities to explore both the male and female anatomy in depth during the Video anatomy on cadaver workshop: female & male genital treatments session, as well as sessions dedicated to

cultural aspects and their implications on patients and treatment methods.

Finally, the module will tackle a number of challenging subjects for this sensitive area, including menopause, surgery and complications.

Not a gynecologist? Not a problem! The sessions are open to all physicians interested in aesthetics, no matter your specialty.

LEARNING OBJECTIVES:

- RESOLVING FEMALE GENITAL SYNDROMES
- COMPLICATIONS AND MOST SUITABLE TREATMENT METHODS
- ACHIEVE RESULTS FOR PATIENT SATISFACTION

Friday

2 PM - 3 PM **S21** Female genital treatments - Lasers & EBD

3 PM - 4 PM **S22** Female genital treatments - Combined injections (in collaboration with GRIRG)

4:30 PM - 5:30 PM **S23** Female genital treatments - Surgery

5:30 PM - 6:30 PM **S24** Female genital treatments: medical & surgical (in collaboration with MSAG)

Saturday

5:30 PM - 6:30 PM **S56** Video anatomy on cadaver workshop: female & male genital treatments

This module is organized with the collaboration of

FRIDAY AND SATURDAY IN ROOM 5

ASIAN MORPHOTYPES - SURGICAL APPROACH

Asia Special!

LEARNING OBJECTIVES:

- HOW TO ACHIEVE THE MOST NATURAL RESULTS
- SURGICAL & NON-SURGICAL APPROACHES

THE GREATEST THING ABOUT AN INTERNATIONAL CONGRESS IS THE EXCHANGE OF VISION AND CULTURE.

IMCAS Asia 2018 gathers the best physicians on this side of the globe. This module will present various complications, trends, tips & tricks for successfully treating Asian morphotypes.

What are the beauty trends my patient has in mind? What are the examples of different approaches to different morphotypes? How can I better adapt my treatment method to my patient's morphology?

These questions are only the tip of the iceberg of this in-depth module that will cover ethnic morphologies from head-to-toe over the three days of the congress. We are hosting the top physicians all over Asia

who will share with you their expertise on topics including rhinoplasty, blepharoplasty, breast augmentation and facelift on Asian patients. Keep your eyes and ears open towards the end of the sessions for discussions on the comparative differences between Caucasian and Asian morphotypes.

As it is with many of our sessions, the international speakers who bring to each congress their expertise and their diverse backgrounds will help you walk out of the room with a deeper understanding and a broadened spirit.

Be sure to check out these sessions!

S82 Facelift in Asian morphotypes

S87, S88 Rhinoplasty: surgical & medical

This module is organized with the collaboration of

TAFPRS
 Taiwan Academy of Facial
 Plastic and Reconstructive
 Surgery

THSPRS
 Society of Plastic and
 Reconstructive Surgeons of
 Thailand

SATURDAY IN ROOM 1 LIVE ANATOMY CADAVER WORKSHOP

WITH THE EXCEPTIONAL SUPPORT
OF AND LIVE STREAMED FROM
CHULALONGKORN HOSPITAL

Most Beloved!

THIS YEAR WE ARE BRINGING YOU A FULL DAY OF LIVE ANATOMY ON CADAVER WORKSHOP!

COORDINATORS

Dr Benjamin ASCHER
Dr Paisal RUMMANEETHORN
Dr Atchima SUWANCHINDA

CHAIRS

Dr Nicolas BERRENI
Dr Gabriela CASABONA
Dr Sebastian COTOFANA
Dr Abdul Mubarak GAFOOR
Dr Sebastien GARSON
Dr Po Han Patrick HUANG
Dr Hee Jin KIM
Dr Marina LANDAU
Dr Tatjana PAVICIC
Dr Adri Dwi PRASETYO
Dr George SULAMANIDZE
Dr Tanvaa TANSATIT
Dr Kamol WATTANAKRAI

Our celebrated Cadaver Workshop is one of the most talked about sessions throughout our congresses. Broadcasting live from Chulalongkorn Hospital, you will get a glimpse at the anatomy behind the procedures. With live patient demonstrations taking place alongside the dissections, for more a practical insight.

This is your opportunity to broaden your knowledge of injectables and suspending devices through this deeper look into anatomic structures, while learning how to reduce risks and avoid complications by identifying key anatomy regions and critical danger zones.

These 8 immersive sessions cover muscles, the vascular system and fat anatomy for breast and buttocks treatment in the morning, followed in the afternoon by sessions on the forehead, temple & periorbital, midface & nose, lip & masseter, neck & hands, as well as a look at the anatomy to optimise threads treatments.

Expert speakers will present simultaneously with the demonstrations, providing insights and concepts throughout. At the end of each demonstration, the floor will be open to debates and discussion from the audience.

LEARNING OBJECTIVES:

IN-DEPTH LOOK INTO ANATOMY BEHIND
PINPOINT DANGER ZONES
IMPROVE INJECTION & THREAD TECHNIQUES

This module benefits from the educational support of

See page 60 for more information

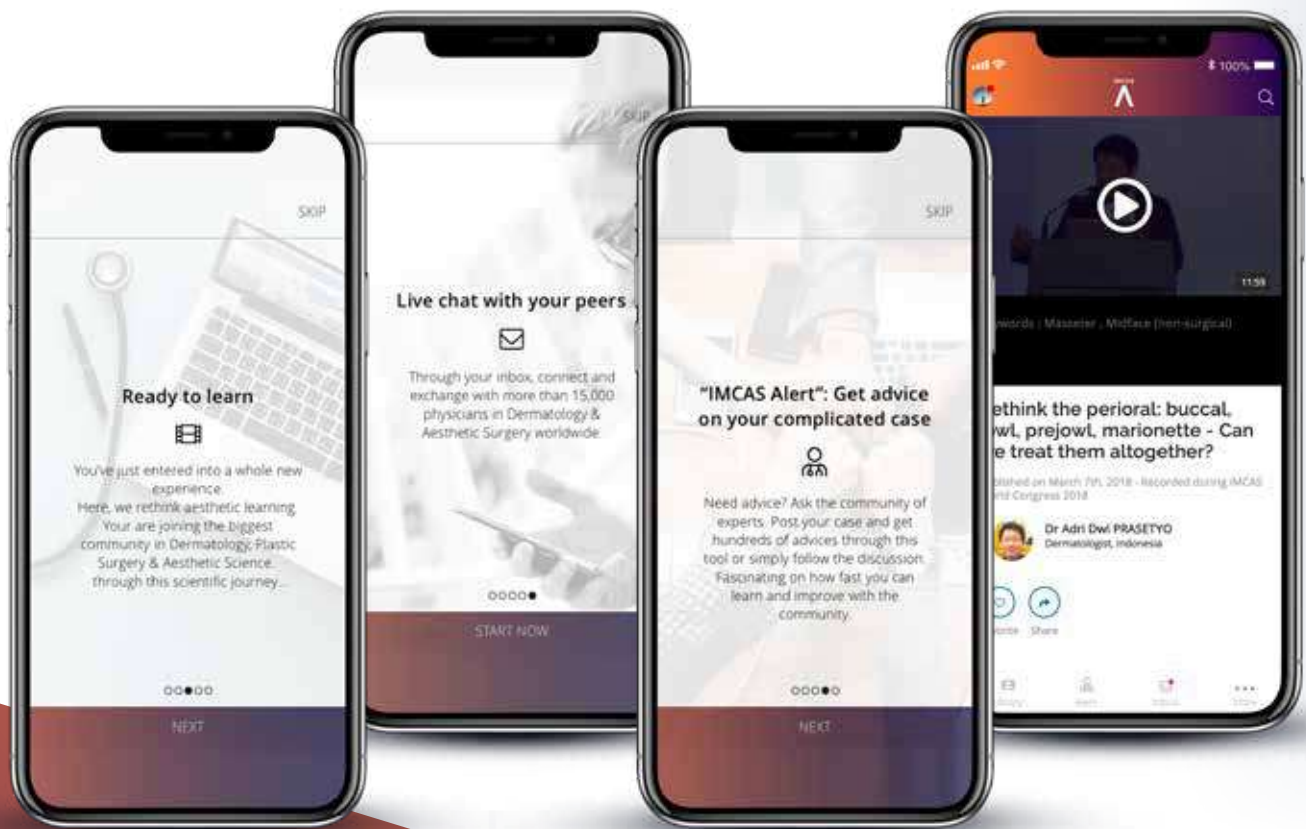

IMCAS ACADEMY

THE LEADING E-LEARNING PLATFORM IN DERMATOLOGY,
PLASTIC SURGERY AND AESTHETIC SCIENCE

NOW AVAILABLE AS A MOBILE APP!

VISIT US ON LEVEL 3 TO FIND OUT MORE!

[IMCASACADEMY.COM](https://www.imcasacademy.com)

2,500
VIDEOS

500
LEARNING
HOURS

800
EXPERT
CONTRIBUTORS

Here is a fact: despite one's wishes, it's physically impossible to attend all the sessions. Here's another fact: **WE DON'T WANT YOU TO MISS A THING!**

With an ever-growing library housing over 2,500 videos from previous congresses, IMCAS Academy allows you to watch any and all sessions. Anytime, anywhere. It is also the best tool for reviewing online all that you've learned on-site.

This year, for the first time ever, we are releasing the mobile app for a more seamless and faster access!

THERE'S MORE THAN JUST VIDEOS! The Academy offers blog articles contributed by experts in the aesthetic field, and monthly live webinars led by international physicians.

Did you know that IMCAS Academy is also a social platform? With almost 15,000 registered members, IMCAS Academy offers you the chance to connect with your peers long after the congress is over. Our ever-expanding feature, IMCAS Alert is the combination of learning through socializing, find out why below.

IMCAS
ALERT

HOW DOES IT WORK?

Alert allows you to receive expert advice on complications, cases or procedures.

Learn more by attending these sessions

The 3 sessions simulate how IMCAS Alert functions. Clinical cases related to each theme of the session will be presented followed by experts' debate on how they would treat each case.

S47 IMCAS **ALERT**

LASERS

■ Friday 4:30 to 5:30 PM in Room 6

S48 IMCAS **ALERT**

INJECTABLES

■ Friday 5:30 to 6:30 PM in Room 6

S135 IMCAS **ALERT**

SURGERY

■ Sunday 4:30 to 5:30 PM in Room 5

AD ANNOUNCEMENT FROM ITCAM

> 2 DAYS POST CONGRESS COURSE (ADDITIONAL FEES)

CADAVERIC DISSECTION JULY 16-17, 2018

Registration to this post congress course directly through THAICOSDERM www.itcam.org
email: thaicosderm@gmail.com
Line id: itcam CF: +66818440977

COURSE DESCRIPTION ON WWW.ITCAM.ORG

- Injectable Complications: Clinico-Anatomical Correlation
- Layer Anatomy Correlated Injection Techniques
- Safe Injection with Complication Management
- Retrobulbar and Peribulbar Injection Technique

ANATOMY TRAINING CENTER

The technically highly advanced CHULA SOFT CADAVER Surgical TRAINING CENTER of Chulalongkorn University has been inaugurated since 1996. The venue guarantees the best standard for a soft specimen dissection training center in Asia.

OUR OUTSTANDING WORLD RENOWN FACULTY

- Pr. Sebastian Cotafana (USA)
- Pr. Hee Jin Kim (Korea)
- Dr. Tanvaa Tansatit (Thailand)
- Dr. Atchima Suwanchinda (Thailand)
- Dr. Matthew Yeo (Singapore)
- Dr. Gabriela Casabona (Brazil)
- Dr. Tatjana Pavicic (Germany)
- Dr. Wilai Thanasarnaksorn (Thailand)
- Dr. Paisal Rummaneethorn (Thailand)
- Dr. Kai O Kaye (Spain)

COURSE DIRECTOR

Atchima Suwanchinda (Thailand)
Wilai Thanasarnaksorn (Thailand)

COURSE COORDINATOR

Paisal Rummaneethorn (Thailand)
Atchima Suwanchinda (Thailand)

COURSE LANGUAGE: English

CADAVER COURSE DAY 1 July 16 (7.30am -7.00pm)	350 USD
CADAVER COURSE DAY 2 July 17 (7.30am -7.00pm)	1,700 USD
DAY 1 and 2	1,850 USD

Your optional extras

VIDEO CLASSES

This option is presented as a 2-hour video class. You can choose up to 3 out of 6 in-depth topics. Discover a new and efficient learning experience by signing up for this innovative session! No theory here, just applied techniques on various topics.

IMCAS ACADEMY

There are so many fascinating sessions happening every hour at IMCAS! But that also means so many sessions are missed. Good news? Subscribe to IMCAS Academy and never miss a session again! Join us at our booth on Level 3 to learn more.

GALA DINNER

IMCAS knows how to put together a congress, but did you know we can also throw one heck of a party? Enjoy exquisite fine Thai dining, fabulous entertainment, informal networking and dance the night away at this not-to-be-missed event.

VIP PACKAGE

Need to rest your brain for a bit? Our VIP Package gives you access to the exclusive VIP lounge located at the heart of the conference which offers beverages, snacks and a lounge area.

Program by day

S1

8:30 AM
9:30 AM

HOW TO AVOID INJECTABLE COMPLICATIONS: UPPER FACE

INJECTABLES

Chair(s): Po Han Patrick HUANG,
Rungsima WANITPHAKDEEDECHA

No knife temporal and frontal areas rejuvenation

David Sudarto OEIRIA (N°72983 - 12 MIN)

Safe blunt dissection technique to avoid vascular complications of injectables in the forehead, glabellar and temporal regions

Shiou Han WANG (N°64617 - 12 MIN)

Forehead augmentation: pros and cons of different injection techniques and layers

Tatjana PAVICIC (N°69859 - 12 MIN)

Holistic anatomical augmentation of Asian temporal and lateral frontalis

Adri Dwi PRASETYO (N°75371 - 12 MIN)

QUESTIONS & ANSWERS

S2

9:30 AM
10:30 AM

HOW TO AVOID INJECTABLE COMPLICATIONS: MIDFACE & NOSE

INJECTABLES

Chair(s): Atchima SUWANCHINDA, Matthew YEO

Understanding and avoiding periorbital complications of injectables

Milind NAIK (N°63859 - 12 MIN)

How to treat sunken cheeks with fillers for natural result

Rassapoom SUMAETHEIWIT (N°68957 - 12 MIN)

How to safely perform injection rhinoplasty

Paisal RUMMANEETHORN (N°70015 - 12 MIN)

Non-surgical nose treatments: how to be safe and effective

Thomas RAPPL (N°72167 - 12 MIN)

QUESTIONS & ANSWERS

S3

11 AM
12 PM

HOW TO AVOID INJECTABLE COMPLICATIONS: LOWER FACE

INJECTABLES

Chair(s): Kiattawee THANASAWAD,
Adri Dwi PRASETYO

Tongue infarction: the possible complication from chin augmentation

Tanvaa TANSATIT (N°69835 - 15 MIN)

Chin augmentation techniques for the best result

Sonja SATTLER (N°73081 - 15 MIN)

How can we effectively reshape jawline with filler injections?

Hsien Li Peter PENG (N°67717 - 15 MIN)

QUESTIONS & ANSWERS

S4

12 PM
1 PM

HOW TO AVOID INJECTABLE COMPLICATIONS: NECK & NECKLINE

INJECTABLES

Chair(s): Wachira KUNATHATHORN,
Hema SUNDARAM

How to inject to avoid complications: neck

Benjamin ASCHER (N°69097 - 12 MIN)

Safe injection for the neck and neckline

Sonja SATTLER (N°73643 - 12 MIN)

Neck rejuvenation with combined treatment of toxin, PRP and skin peeling

Teresita Santillan FERRARIZ (N°72943 - 12 MIN)

Facial analysis, focus on lower face and neck to avoid complications

Dhave SETABUTR (N°75897 - 12 MIN)

QUESTIONS & ANSWERS

S5
2 PM
3 PM

INJECTION, ART, SOCIAL AND ANTI-AGING CONSEQUENCE

INJECTABLES

Chair(s): Hugues CARTIER, Haiyan CUI

Aging anatomic process: when and what to inject

Uriel Alfredo HEDDING GARCIA (N°63327 - 10 MIN)

Beauty concepts and the role of injectables

Adrian LIM (N°73047 - 10 MIN)

Can art make you a better injector?

Berthold RZANY (N°69133 - 10 MIN)

Aging of the skin - Can we slow it?

Alexander TURKEYVYCH (N°72925 - 10 MIN)

Aging of the face

Sebastian COTOFANA (N°75639 - 10 MIN)

QUESTIONS & ANSWERS

S6
3 PM
4 PM

COMBINED INJECTIONS: FACE CONTOURING (IN COLLABORATION WITH ISDS)

INJECTABLES

Chair(s): Sonja SATTTLER, Atchima SUWANCHINDA

Welcome message from the ISDS

Sonja SATTTLER (N°75347 - 05 MIN)

Combination treatments for chin and jawline

Sonja SATTTLER (N°73083 - 10 MIN)

Posterior temporal SupraSMAS injection: the new technique for skin lifting

Atchima SUWANCHINDA (N°72185 - 10 MIN)

Combined treatments for facial shaping

Hema SUNDARAM (N°67805 - 10 MIN)

How to make smiling face (lifting effect with volumization) by using filler and toxin: SMAS tightening technique

Gi Woong HONG (N°69081 - 10 MIN)

Application of the golden triad in face rejuvenation: botulinum toxin, fillers and threads

Albina Anzorievna KADJAIA (N°68975 - 10 MIN)

QUESTIONS & ANSWERS

S7, S8
4:30 PM
6:30 PM

VIDEO CLASS - COMBINED INJECTIONS: ACHIEVE A NATURAL LOOK

INJECTABLES

Chair(s): Chiranjiv CHHABRA, Berthold RZANY

Double7Lift - Injectional lifting of the whole face from one entry point

Alexander TURKEYVYCH (N°72927 - 15 MIN)

Reshaping the aging face with volumizing and stimulatory fillers

Tatjana PAVICIC (N°69861 - 15 MIN)

Combined injections in Chinese morphotypes

Haiyan CUI (N°69903 - 15 MIN)

Non-surgical facial lifting - My way of using combined injectables

Wilai THANASARNAKSORN (N°70589 - 15 MIN)

Achieving a natural and fresh look with different depths and dilutions of botulinum toxin type A

Malavika KOHLI (N°75169 - 15 MIN)

Combination treatment of firm and soft filler to make natural and attractive face based on anatomical study

Gi Woong HONG (N°69085 - 15 MIN)

Total facial rejuvenation by botulinum toxin type A injection with concepts of Spiderweb technique

Danai PRADITSUWAN (N°74851 - 15 MIN)

My approach to facial rejuvenation & combination techniques by injectables and HIFU

Kiattawee THANASAWAD (N°74413 - 15 MIN)

**S9,
S10**
8:30 AM
10:30 AM

PRACTICE MANAGEMENT IN THE NEW ERA

PROFESSIONAL BUSINESS

Chair(s): Anthony M ROSSI, Nalinee SUTTHIPISAL

Shop / clinic styling, branding design
and decorating

Rain RAMAS (N°63265 - 15 MIN)

How to set up and run EBD cosmetic
clinic

Vivek MEHTA (N°69455 - 15 MIN)

Medical tourism in Thailand

Nart FONGSMUT (N°75779 - 15 MIN)

How to deal and manage unhappy
patients: turning a challenge into an
opportunity

Mahran ASHOUR ELSAIED MOHAMED (N°72941 - 15 MIN)

Skin wars: how to differentiate yourself in
the competitive cosmetic space

Samuel PEEK (N°69099 - 15 MIN)

How to convert patients to raving fans

Apratim GOEL (N°63373 - 15 MIN)

Marketing trends and digital
communications: how they apply

Rain RAMAS (N°63261 - 15 MIN)

QUESTIONS & ANSWERS

S11
11 AM
12 PM

PICOSECOND LASER FOR ACNE SCAR

LASERS & EBD

Chair(s): Carl Kuo Liang CHENG, Adrian LIM

Little harm, big gain: picosecond laser
for acne scars in Asians

Hsien Li Peter PENG (N°68937 - 12 MIN)

Pico laser for acne scar

Orawan KITCHAWENGKUL (N°75625 - 12 MIN)

Atrophic acne scar treatments with novel
picosecond specific lens

Ching Hsin HUANG (N°70071 - 12 MIN)

Picosecond laser and acne scar

Ratchathorn PANCHAPRATEEP (N°69689 - 12 MIN)

QUESTIONS & ANSWERS

Dedicated to quality and transparency

How IMCAS ensures the highest quality at its congresses

CME
Continuing Medical Education

IMCAS offers its participants Continuing Medical Education credits (CME), necessary for every practitioner to update and improve their skills and quality within the constantly developing field of medicine. Being an international conference IMCAS conferences have been consistently accredited at several levels in locations as Europe, USA, China, Indonesia, Hong Kong and India, among others.

The number of CME credits obtained varies according to the duration of the congress and the organism of accreditation, given that the evaluation criteria differs from one country to another.

For IMCAS Asia 2018, IMCAS has obtained accreditation for CME credits by the Thailand Medical Council (CCME), obtaining up to 18 CME for the full conference, or 6 CCME per-day attended. All Thai registered doctors are eligible to claim credits for this activity.

How to obtain the Certificate of Attendance and claim CME credits?

At the end of the conference, each registered delegate has to fill in the online evaluation form by August 15. To do so, you have to log in to your personal account and follow the instructions on IMCAS website:

WWW.IMCAS.COM

Once your evaluation is submitted, your Certificate of Attendance will then be available for download on your account along with a full explanation on how to claim your CME credits.

Should you have forgotten your username and/or password to access your account, please contact us at contact@imcas.com

Delegate evaluations

The post-congress evaluations completed by attendees are invaluable in enabling us to continuously improve our congresses year after year and to ensure we offer delegates a program that matches their needs and expectations.

At IMCAS Asia 2017, the online delegate evaluation revealed the following:

- 97% of participants rated the scientific topics as good to excellent
- 95% of participants rated the scientific speakers as good to excellent
- 96% of participants would attend a future IMCAS congress

Don't forget to fill in your online evaluation after this year's congress!

COI

Conflict of interest policy

What is a conflict of interest? (COI)

What is a conflict of interest? (COI)

At IMCAS, a COI is considered as a situation in which a person who is lecturing during the conference has a sufficient personal and/or financial relationship with a commercial or non-commercial entity that may bias the content of his/her presentation. This is why we make public all activities and relationships that, if known to others, might be viewed as a conflict of interest, even if speakers do not believe that any conflict or bias exists. Disclosing this type of information provides a seal of transparency that protects our content.

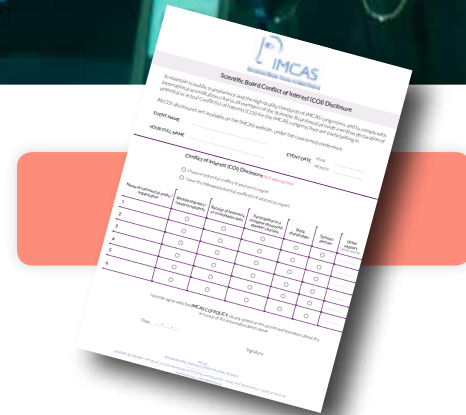

How does IMCAS acknowledge COI?

IMCAS insists on complete independence between instructional (or scientific) courses and the industry sponsors of its congresses.

Scientific lectures are presumed to be based on objective interpretations of evidence and unbiased interpretations of facts with a fair representation of all specialties concerned in the field of aesthetics whether medical aesthetics, with plastic surgery and dermatology, or non medical aesthetics with the new development of the cosmeceutical field.

The integrity of our conference requires disclosure of the possibilities of potentially distorting influences. The audience may then judge and, if necessary, make allowance for the impact of the bias on the information being reported.

Consequently, all faculty members must openly disclose any COI that can influence the content of their presentation. Furthermore, in order to maintain the highest quality standards when organizing the congress, and to comply with international accreditation criteria, each member of the Scientific Board has to fulfill additional COI requirements and must provide a written declaration of potential or actual COI for the IMCAS congress they are participating in. All COI disclosures are available on the IMCAS website, under the relevant conference.

What if the speaker declares "no Conflict of Interest"?

This case states that neither the speaker nor any member of his/her immediate family has a significant financial arrangement or affiliation with the product, device or company involved in the congress, or any potential bias against or towards another product, device or company.

Who is concerned by the COI policy?

Anyone who is a speaker during the conference or contributes within the elaboration of the scientific program thus:

All Members of the Scientific Board (Course Director, Course Coordinators, Scientific Secretaries, Members of the Scientific Committee).

All Faculty Members:

Disclosure must be made whether the speaker has or does not have a COI within his/her lecture content. This disclosure form will be automatically displayed before the presentation slides of the speaker.

From where does IMCAS retrieve its revenue ? ■

IMCAS CONDUCTS EDUCATIONAL ACTIVITIES, BUT IT IS ALSO A PROFIT-SEEKING BUSINESS. HOW CAN THIS DILEMMA BE RESOLVED? SIMPLY BY IDENTIFYING THE ORIGINS OF THE DIFFERENT FORMS OF REVENUE. THEREFORE, IMCAS WELCOMES FUNDING, AS LONG AS THE ORIGINS OF THE FUNDS CAN BE TRACED.

FROM OUR PARTICIPANTS

The registration fees that we charge for each of our congresses enable us to continuously improve our educational offerings in order to better fulfill your learning requirements.

FROM OUR INDUSTRY SUPPORTERS

Companies may financially support IMCAS in two distinct ways - sponsorships and educational grants - depending on whether they have a direct influence on the program, individual sessions, subjects for discussion, content choice or Faculty members. It is for this reason that we highlight the difference between activities supported by sponsorship and those supported by an educational grant (see below for details).

By clearly explaining the difference between the two types of financial support, all concerned parties (doctors, industry representatives, foundations, government bodies, private purpose funds etc.) remain informed, aware and vigilant.

SPONSORSHIPS

Sponsorship is the financial support of an activity under the terms of a mutually beneficial exchange between the supporting company and IMCAS. The supporting company provides financial support for an activity - such as a live demonstration, a symposium, a guest lecture or a training village - and in return may present syntheses of studies or trials, practical solutions to specific patient problems and/or live demonstrations to the audience. The content of these sponsored sessions is therefore not endorsed by IMCAS.

EDUCATIONAL GRANTS

An educational grant is a form of financial support where the funds are allocated to cover specific costs related to the provision of a balanced, accurate and scientifically independent activity.

The funds are used according to the donor's wishes, however, being a unilateral gesture, it is not connected to any advertisement or participation in the content of the activity. For ethical and educational purposes, the scientific content is entirely developed by the Scientific Board, with no input from the granting company. As such, sessions supported by educational grants are eligible for CME accreditation.

The following sessions benefit from an unrestricted educational grant at IMCAS Asia

Female Genital Treatments

Friday from 2 PM to 6:30 PM

General information

OFFICIAL CONFERENCE LANGUAGE

ENGLISH is the official language of the congress.

INSURANCE / ACCIDENTS, LOSSES OR DAMAGES

Neither the IMCAS Secretariat nor the Athenee Hotel accept any liability for damages and/or losses of any kind, which may be incurred by congress participants or by any persons accompanying them, during both the official conference and the social program.

Attendees are responsible for their own property. Do not leave any property unattended in the venue. Attendees may participate in all events at their own risk. Attendees are advised to take out insurance against any loss, accidents or damages that could be incurred during the congress. Verbal agreements will not be binding unless they are confirmed in writing.

BADGES

Access to the conference is subject to a number of strict rules, aiming to guarantee the scientific independence of the conference, and to preserve it from any commercial interest or influence. A strict Badge Policy has been implemented, specifying the rules related to the admittance of different areas of IMCAS conferences. According to each participant's status (delegate, faculty, exhibitor, etc), a corresponding barcoded badge with specific access is issued. Access to the Exhibition Hall is available for all badge types while access to conference rooms is dependent upon whether one holds a physician or a non-physician badge.

Following the Badge Policy is mandatory for all the participants. If it is violated, IMCAS is authorized to take measures, and may lead to the confiscation of the badge and the prohibition of access to the conference area.

RECORDING POLICY

Recording of any kind (photographic, video, audio) during sessions is STRICTLY PROHIBITED. Violators will be banned from future congresses and their equipment will be seized.

PROGRAM

Companies and participants may copy materials for their personal use, but further copy for sale or for any other commercial purpose is prohibited without prior written permission from IMCAS.

LUNCH AND COFFEE BREAKS

Coffee, snacks and lunches are served on site all day, to allow our delegates to thoroughly visit the Exhibition Hall. Complimentary food and beverages are provided to those with Delegate and Faculty badges.

CERTIFICATE OF ATTENDANCE

The evaluation platform to obtain your certificate of attendance will be open from July 14th. Login with your credentials and fill out the online evaluation form to receive your IMCAS Asia 2018 certificate of attendance. If you do not remember your credentials, you can retrieve them by contacting us at contact@imcas.com.

Login at: www.imcas.com

DAILY JOURNAL

The IMCAS Daily Journal is a mini newspaper distributed throughout the congress, highlighting the goings-on each day. It is packed with interviews, travel tips and interesting facts related to the congress.

WiFi

Complimentary wifi is available throughout the venue. Connect using:
Username: [imcas2018](#)
Password: [imcas2018](#)

SPEAKERS' PREVIEW ROOM AND CLUB LOUNGE

All sessions are equipped with computer projection. In order to ensure a successful congress, speakers are required to have their presentations delivered to the Preview Room the day before or at least 2 hours prior to the start of their session. The Preview Room is located in the Club Lounge in the Exhibition Hall.

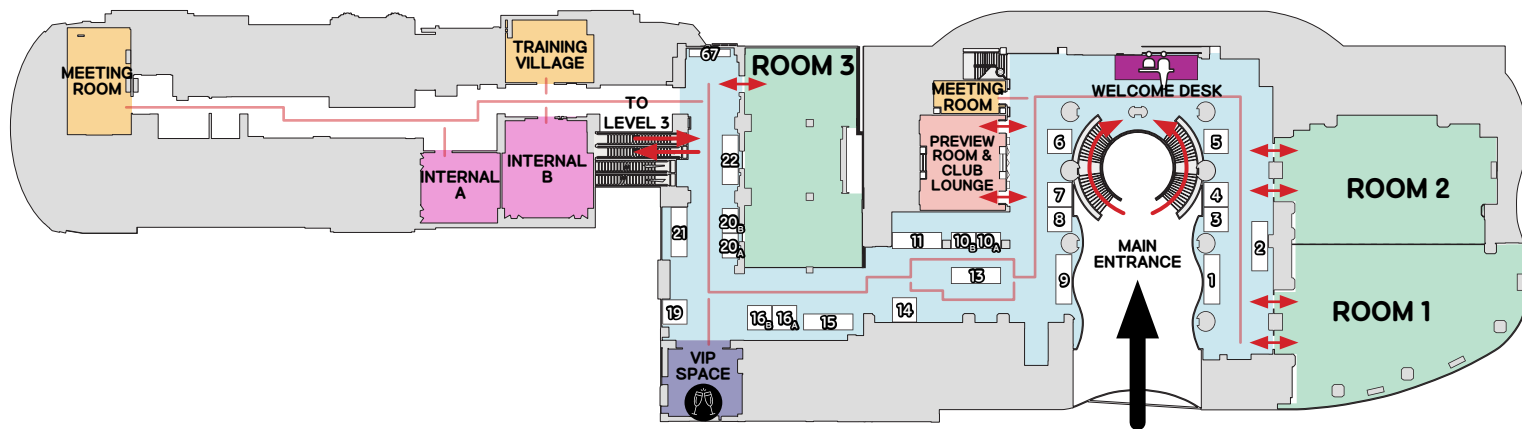

MOBILE PHONES

As a courtesy to our speakers, please make sure to turn off your mobile devices while attending the sessions.
